

# **10 Days Albertine Rift Endemic Birding Safari Trip Report**

**Name of the Client Mo**

**Tour Company: Kabira Safaris & Tours Ltd.**

**Name of Tour Guide: Arshley Brian.**

**Number of Days: 10 Days**

**Dates for the trip: 15<sup>th</sup>-24<sup>th</sup> Dec 2021.**

**Archer's Robbin-chat**

## Day 1 – Pick-up from Entebbe Airport

On a Wednesday Kabira Safaris assigned me a 10 days birding trip I was meant to lead covering the Albertine rift stretch, I was at the airport by 8am waiting for my only client who was touching down with Qatar Airways and at about 8:30am the plane touched down, MO was in touch with me through WhatsApp since office had shared my contacts to him, at about 9:20am the client walked through the gate to meet me outside after clearing up with the immigration office.

We drove out of the airport to the hotel which was about a 15minutes drive, as we were seeing species along the way, our first bird of the trip a Village Weaver (Ploceus Cucullatus), we kept on seeing different birds along the way like Pied Crow, Marabou Storks, Western-cattle Egrets, Hadada Ibis, among others, we got to the Hotel and surely it was welcoming with lots of the birds around the compound where we got chance to see species like the Red-chested Sunbird, Great-blue Turraco, Eastern Plantain Eaters. Since MO had taken along flight from Canada, he needed some good hours of napping, we were meant to go back birding at 3pm but he arrived at the car at about 4:30am where we took a 2 minutes' drive to the Botanical Gardens where we got to see more birds like the African & Meyers Parrots, Northern-black Flycatcher, Egyptian Goose, Snowy-crowned Robbin chat besides birding we were also looking at different vegetation, flowers and other mind capturing things like butterflies, we later retired back to the hotel for an overnight in preparation for tomorrow.

## Day 2 Mabamba Swamp Visit then later transfer to Lake Mbuoro National Park

We woke up very early in the morning and took a one and half hour drive on the dirt road birding along the way where we were able to see species like the Shikra, African-Green Pigeon, Common Bulbul, Lizzard Buzzard among other species, we later arrived at Mabamba swamp to start our search for the most elusive shoebill we went on to see other birds like the Long-toed Lapwing, African Jaccana, Pied Kingfisher, Purple Heron, Yellow-billed duck among other, the search for the shoebill took us some hours to locate the bird but after some hard efforts of searching we later found the dinosaur looking bird, we then left the swampy area and proceeded to the equator where we stopped for a hot lunch, and later continued with our drive to Lake Mbuoro National Park birding along the way where we encountered species like the Grey-crowned crane, tropical boubou, speckled mousebird, Northern gray-headed sparrow, at about 3pm we arrived at Lake Mbuoro National Park where we were welcomed with species like Arrow-marked Babbler, Black-headed Gonoklek, Black-collared Barbet, Bare-faced Go-away bird, Senegal Lapwing among other species, in the evening while driving back to the hotel we found a leopard by the road side with its two cubs which made Lake Mbuoro National Park a great memory creator.

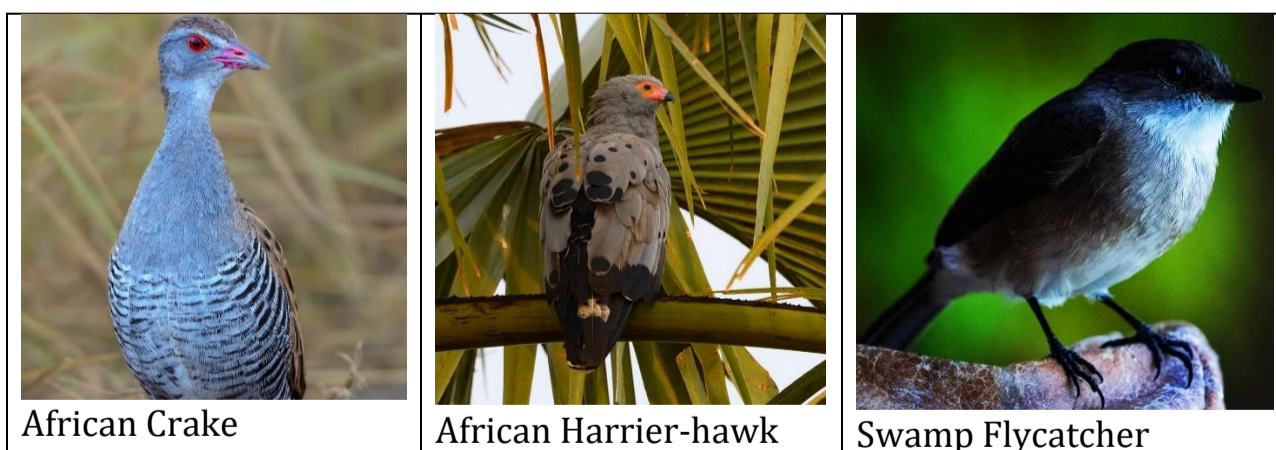

### Day 3 Morning Boat cruise and transfer to Kisoro

We left the Hotel very early in the morning to try and see what nature has for us, and shortly into the drive we found a relaxed tower of Giraffes which gave us ample time among other species we saw were the Deffasa waterbucks, Common warthogs, then later we went back to the docking point and went on the boat cruise where we saw a good number of birds like the African Finfoot, Black crowned Night-Heron, Malachite Kingfishers, Lesser Swamphen, Lesser Swamp Warbler, African fish eagle, the cruise lasted for two hours, we drove out of the park and stopped at Igongo Cultural Centre for hot lunch later in the afternoon we continued with our journey making several stopovers along the way we saw birds like the copper sunbird, Village indigo bird, we also had a brief stopover at Echuya Forest which turned out to be so rewarding with species like the Regal Sunbird, Dusky Longtailed Cuckoo, Yellow-throated Tinkerbird, Dohertys Bushrike among others we later proceeded to the hotel for an overnight.

### Day 4 Whole Day Birding the Mount Mgahinga.

We woke up very early in the morning and started our 14km drive to mount Mgahinga one of the good bird concentrations, along the way we encountered species like the Yellow Bishop, Streaky Seed-eater White-naped Raven, Cape & African pied Wagtail, Cape Robbin-chat, we later got to the briefing point where we had a 15m briefing and got to see good albertine endemic species like Archers Robbin-chat, Stulmanns sunbird, Mountain Masked Apalis, Strange Weaver, Rwenzori Batis, Rwenzori Turraco among other highland species we saw were Northern-collared Sunbird, cinnamon-Bracken Warbler, Cassins Hawk-eagle among other things we saw was the Rwenzori black fronted Duicker and the Three-horned Chameleon, we walked up to the Gorge and later turned back to the starting Point and later drove back to the hotel for an overnight.

## Day 5 Gorilla Tracking and later drove to Buhoma.

We had slept in Kisoro the previous night and so we needed to wake up early to drive to Rushaga one of the most popular Gorilla tracking points, it was a bit night and we could hardly spot any bird, we got to the briefing point where we had some bird watching and saw species like the Ludhurs buhrike, Oriole Finch, Chubbs Cisticola, White-eye slatty Flycather among other species, we later did attended the Gorilla Briefing that was accompanied with a cultural dance of the native people that stray around the briefing area.

We later went on [trekking Gorillas](#) and the whole activity lasted for about 5 hours, NB: You have to be at the briefing point by 8 where you present your Gorilla Permit and passport for registration and you are split in a group of 8 people, there are many different groups and they are distributed according to fitness, age and health status, After the whole activity we came back to the starting point and started our drive to Buhoma, but a few kilometres into the journey we receive a phone call that there was a faulty car on the shorter route we were meant to use and that car had made it hard for other cars to go through so we had to take a longer route in order to access our hotel which forced us to get to the hotel, late in the evening where we managed to take on a short birding before night and we were in position to see species like the Grey-winged Robbin chat, Green Headed Sunbird, Green throated Sunbird, Vanga Flycather among others.

## Day 6 Birding the neck and Buhoma trail

We woke up in the morning and took an hour drive to the NECK a famous birding spot where we ticked off some good species like the Black-bee Eater, Dusky Tit, Stripped Breasted Tit, Yellow-Spotted Barbet, Elliots Woodpeck, Mountain Wagtail, Great-blue Turraco, we then headed back to the lodge but along the way we saw species like Mountain Buzzard, Pale-breasted Nigritta, Ashy Flycatcher among others.

In the evening we continued birding the waterfall trail in buhoma where we saw lots of birds like Gray-throated Barbet, African Broadbill, Chappins Flycatcher, Gray-green Bushrike, White-spotted flufftail it had turned out to be a fruitful evening but the rains seemed to interfere forcing us to return back to the Hotel.

## **Day 7 Transferring to Queen Elizabeth via Ishasha.**

After an early breakfast we stayed around the lodge as most sunbirds, weavers and other birds kept on visiting the flowers around giving us good chance to photograph them, we later started our drive to Queen Elizabeth where we saw multiple herds of elephants and many birds along the way like the Sooty Chat, Southern Red-bishop, White-headed Barbet, croacking Cisticolas, Saddle-billed Stork among others we continued to the lodge although the road was a bit muddy since it had rained earlier, After lunch we relaxed a bit in preparation for an evening birding, we had some good birds in the evening like the Red-shouldered Cuckoo-shrike, Broad-tailed Warbler, Red-collared Widowbird, Red-faced Cisticola, Kurricane Button-Quail among others.

## **Day 8 Game Drive and afternoon Boat Cruise.**

This day we left very early in the morning to catch up with the game but we stopped around a papyrus swamp next to Katunguru bridge where we saw the rare Papyrus Gonolek, Pied Kingfisher, African Fish Eagle, the game drive was so rewarding where we got to see lots of different animals and birds like Rufous-naped Lark, Isabelline Whetear, Red-capped Lark, Crested Francolin after we proceeded to Mweya Safari Lodge for lunch and in the afternoon we did a boat cruise where we saw birds like the Yellow-billed Stork, Ruddy Turnstone, Marsh Sandpiper, Goliath Heron, Little Egret we later came off the boat and did a crater drive as we were heading back to the lodge where we saw species like the Trilling Cisticola, African Crane, European Bee-eater, Gray-backed Fiscal.

## **Day 9 Birding to Kibale and afternoon Bigodi Swamp Birding.**

We left in the morning birding along the way as we made several stop overs looking at different species like the Black-winged Kite, Cinnamon-chested Bee-eater, Frasers Flycatcher Thrush. We later had lunch at beehive Restaurant and did an evening birding at Bigodi wetland where we saw some good number of birds with a bit of cultural experience where we went coffee making and basket weaving.

## **Day 10 Transfer to Kampala.**

We basically woke up had breakfast and started our five-hour drive to Kampala where we made literally few stops along the way, we arrived in Kampala and had lunch before bringing the trip to an end where the client was dropped off the Hotel.

It's all smiles after bringing down the 10 days birding safari to an end.

### **Other Related Uganda Birding Safari Packages that we Plan**

1. [10 Days Uganda Birding Safari and Gorilla Trekking](#)
2. [1 Day Mabamba Swamp in search for the Shoebill](#)
3. [19 Days Exclusive Bird watching Tour](#)
4. [2 Weeks Birding in Uganda](#)
5. [12 Days Uganda birding safari](#)
6. [Luxury Birding in Uganda](#)
7. [Budget Uganda Birding Tours](#)

**Below is a full detail of all the species seen and recorded on the entire 10 Days Albertine Rift Endemic Birding Safari**

Table 1

	Scientific Name	Status	Checklist
<b>STRUTHIONIFORMES: Struthionidae</b>			
Common Ostrich	<a href="#"><i>Struthio camelus</i></a>		<input checked="" type="checkbox"/>
<b>ANSERIFORMES: Anatidae</b>			
White-faced Whistling-Duck	<a href="#"><i>Dendrocygna viduata</i></a>		<input checked="" type="checkbox"/>
Fulvous Whistling-Duck	<a href="#"><i>Dendrocygna bicolor</i></a>		
White-backed Duck	<a href="#"><i>Thalassornis leuconotus</i></a>		
Knob-billed Duck	<a href="#"><i>Sarkidiornis melanotos</i></a>		<input checked="" type="checkbox"/>
Hartlaub's Duck	<a href="#"><i>Pteronetta hartlaubii</i></a>		
Egyptian Goose	<a href="#"><i>Alopochen aegyptiaca</i></a>		<input checked="" type="checkbox"/>
Spur-winged Goose	<a href="#"><i>Plectropterus gambensis</i></a>		
African Pygmy-Goose	<a href="#"><i>Nettapus auritus</i></a>		
Garganey	<a href="#"><i>Spatula querquedula</i></a>		
Blue-billed Teal	<a href="#"><i>Spatula hottentota</i></a>		
Northern Shoveler	<a href="#"><i>Spatula clypeata</i></a>		
Eurasian Wigeon	<a href="#"><i>Mareca penelope</i></a>	Rare/Accidental	
African Black Duck	<a href="#"><i>Anas sparsa</i></a>		
Yellow-billed Duck	<a href="#"><i>Anas undulata</i></a>		<input checked="" type="checkbox"/>
Red-billed Duck	<a href="#"><i>Anas erythrorhyncha</i></a>		
Northern Pintail	<a href="#"><i>Anas acuta</i></a>		
Green-winged Teal	<a href="#"><i>Anas crecca</i></a>		
Southern Pochard	<a href="#"><i>Netta erythrophthalma</i></a>		
Common Pochard	<a href="#"><i>Aythya ferina</i></a>	Vulnerable	
Ferruginous Duck	<a href="#"><i>Aythya nyroca</i></a>	Rare/Accidental Near-threatened	
Tufted Duck	<a href="#"><i>Aythya fuligula</i></a>		
Maccoa Duck	<a href="#"><i>Oxyura maccoa</i></a>	Rare/Accidental Endangered	
<b>GALLIFORMES: Numididae</b>			
Helmeted Guineafowl	<a href="#"><i>Numida meleagris</i></a>		<input checked="" type="checkbox"/>
Crested Guineafowl	<a href="#"><i>Guttera pucherani</i></a>		

<b>GALLIFORMES: Odontophoridae</b>			
------------------------------------	--	--	--

	Scientific Name	Status	Checklist
Stone Partridge	<a href="#"><i>Ptilopachus petrosus</i></a>		
Nahan's Francolin	<a href="#"><i>Ptilopachus nahani</i></a>	Vulnerable	
<b>GALLIFORMES: Phasianidae</b>			
Latham's Francolin	<a href="#"><i>Peliperdix lathamii</i></a>		
Crested Francolin	<a href="#"><i>Ortygornis sephaena</i></a>		<input checked="" type="checkbox"/>
Coqui Francolin	<a href="#"><i>Campocolinus coqui</i></a>		
Ring-necked Francolin	<a href="#"><i>Scleroptila streptophora</i></a>	Near-threatened	
Red-winged Francolin	<a href="#"><i>Scleroptila levaillantii</i></a>		
Moorland Francolin	<a href="#"><i>Scleroptila psilolaema</i></a>		
Orange River Francolin	<a href="#"><i>Scleroptila gutturalis</i></a>		
Shelley's Francolin	<a href="#"><i>Scleroptila shelleyi</i></a>		
Blue Quail	<a href="#"><i>Synoicus adansonii</i></a>		
Common Quail	<a href="#"><i>Coturnix coturnix</i></a>		<input checked="" type="checkbox"/>
Harlequin Quail	<a href="#"><i>Coturnix delegorguei</i></a>		
Handsome Francolin	<a href="#"><i>Pternistis nobilis</i></a>		<input checked="" type="checkbox"/>
Jackson's Francolin	<a href="#"><i>Pternistis jacksoni</i></a>	Rare/Accidental	
Hildebrandt's Francolin	<a href="#"><i>Pternistis hildebrandti</i></a>		
Scaly Francolin	<a href="#"><i>Pternistis squamatus</i></a>		<input checked="" type="checkbox"/>
Heuglin's Francolin	<a href="#"><i>Pternistis icterorhynchus</i></a>		
Clapperton's Francolin	<a href="#"><i>Pternistis clappertoni</i></a>		
Yellow-necked Francolin	<a href="#"><i>Pternistis leucoscepus</i></a>		
Red-necked Francolin	<a href="#"><i>Pternistis afer</i></a>		<input checked="" type="checkbox"/>
<b>PHOENICOPTERIFORMES: Phoenicopteridae</b>			
Greater Flamingo	<a href="#"><i>Phoenicopterus roseus</i></a>		
Lesser Flamingo	<a href="#"><i>Phoeniconaias minor</i></a>	Near-threatened	<input checked="" type="checkbox"/>
<b>PODICIPEDIFORMES: Podicipedidae</b>			
Little Grebe	<a href="#"><i>Tachybaptus ruficollis</i></a>		
Great Crested Grebe	<a href="#"><i>Podiceps cristatus</i></a>		
Eared Grebe	<a href="#"><i>Podiceps nigricollis</i></a>	Rare/Accidental	
<b>COLUMBIFORMES: Columbidae</b>			

	Scientific Name	Status	Checklist
Rock Pigeon	<a href="#">Columba livia</a>	Introduced species	
Speckled Pigeon	<a href="#">Columba quinea</a>		
Afep Pigeon	<a href="#">Columba uncinata</a>		
Rameron Pigeon	<a href="#">Columba arquatrix</a>		
Delegorgue's Pigeon	<a href="#">Columba delegorguei</a>		
Bronze-naped Pigeon	<a href="#">Columba iriditorques</a>		
Lemon Dove	<a href="#">Columba larvata</a>		
White-naped Pigeon	<a href="#">Columba albinucha</a>	Near-threatened	
European Turtle-Dove	<a href="#">Streptopelia turtur</a>	Vulnerable	
Dusky Turtle-Dove	<a href="#">Streptopelia lugens</a>		
Mourning Collared-Dove	<a href="#">Streptopelia decipiens</a>		
Red-eyed Dove	<a href="#">Streptopelia semitorquata</a>		
Ring-necked Dove	<a href="#">Streptopelia capicola</a>		
Vinaceous Dove	<a href="#">Streptopelia vinacea</a>		
Laughing Dove	<a href="#">Streptopelia senegalensis</a>		
Emerald-spotted Wood-Dove	<a href="#">Turtur chalcospilos</a>		
Black-billed Wood-Dove	<a href="#">Turtur abyssinicus</a>		
Blue-spotted Wood-Dove	<a href="#">Turtur afer</a>		
Tambourine Dove	<a href="#">Turtur tympanistria</a>		
Namaqua Dove	<a href="#">Oena capensis</a>		
Bruce's Green-Pigeon	<a href="#">Treron waalia</a>		
African Green-Pigeon	<a href="#">Treron calvus</a>		
<b>PTEROCLIFORMES: Pteroclididae</b>			
Lichtenstein's Sandgrouse	<a href="#">Pterocles lichtensteinii</a>	Rare/Accidental	
Four-banded Sandgrouse	<a href="#">Pterocles quadricinctus</a>		
<b>OTIDIFORMES: Otididae</b>			
Kori Bustard	<a href="#">Ardeotis kori</a>	Near-threatened	
Denham's Bustard	<a href="#">Neotis denhami</a>	Near-threatened	
White-bellied Bustard	<a href="#">Eupodotis senegalensis</a>		
Buff-crested Bustard	<a href="#">Eupodotis gindiana</a>		

	Scientific Name	Status	Checklist
Black-bellied Bustard	<a href="#"><i>Lissotis melanogaster</i></a>		✓
Hartlaub's Bustard	<a href="#"><i>Lissotis hartlaubii</i></a>		
<b>MUSOPHAGIFORMES: Musophagidae</b>			
Great Blue Turaco	<a href="#"><i>Corythaeola cristata</i></a>		✓
Black-billed Turaco	<a href="#"><i>Tauraco schuettii</i></a>		
White-crested Turaco	<a href="#"><i>Tauraco leucolophus</i></a>		
Hartlaub's Turaco	<a href="#"><i>Tauraco hartlaubi</i></a>		
Purple-crested Turaco	<a href="#"><i>Tauraco porphyreolophus</i></a>		
Rwenzori Turaco	<a href="#"><i>Ruwenzorornis johnstoni</i></a>		✓
Ross's Turaco	<a href="#"><i>Musophaga rossae</i></a>		✓
Bare-faced Go-away-bird	<a href="#"><i>Corythaixoides personatus</i></a>		✓
White-bellied Go-away-bird	<a href="#"><i>Corythaixoides leucogaster</i></a>		
Eastern Plantain-eater	<a href="#"><i>Crinifer zonurus</i></a>		✓
<b>CUCULIFORMES: Cuculidae</b>			
Black-throated Coucal	<a href="#"><i>Centropus leucogaster</i></a>		
Senegal Coucal	<a href="#"><i>Centropus senegalensis</i></a>		
Blue-headed Coucal	<a href="#"><i>Centropus monachus</i></a>		✓
White-browed Coucal	<a href="#"><i>Centropus superciliosus</i></a>		✓
Black Coucal	<a href="#"><i>Centropus grillii</i></a>		
Blue Malkoha	<a href="#"><i>Ceuthmochares aereus</i></a>		
Green Malkoha	<a href="#"><i>Ceuthmochares australis</i></a>		
Great Spotted Cuckoo	<a href="#"><i>Clamator glandarius</i></a>		
Levaillant's Cuckoo	<a href="#"><i>Clamator levaillantii</i></a>		✓
Pied Cuckoo	<a href="#"><i>Clamator jacobinus</i></a>		✓
Thick-billed Cuckoo	<a href="#"><i>Pachycoccyx audeberti</i></a>	Rare/Accidental	✓
Dideric Cuckoo	<a href="#"><i>Chrysococcyx caprius</i></a>		✓
Klaas's Cuckoo	<a href="#"><i>Chrysococcyx klaas</i></a>		✓
Yellow-throated Cuckoo	<a href="#"><i>Chrysococcyx flavigularis</i></a>		✓
African Emerald Cuckoo	<a href="#"><i>Chrysococcyx cupreus</i></a>		✓
Dusky Long-tailed Cuckoo	<a href="#"><i>Cercococcyx mechowii</i></a>		✓

	Scientific Name	Status	Checklist
Olive Long-tailed Cuckoo	<a href="#"><i>Cercococcyx olivinus</i></a>		
Barred Long-tailed Cuckoo	<a href="#"><i>Cercococcyx montanus</i></a>		
Black Cuckoo	<a href="#"><i>Cuculus clamosus</i></a>		<input checked="" type="checkbox"/>
Red-chested Cuckoo	<a href="#"><i>Cuculus solitarius</i></a>		<input checked="" type="checkbox"/>
Lesser Cuckoo	<a href="#"><i>Cuculus poliocephalus</i></a>		
African Cuckoo	<a href="#"><i>Cuculus gularis</i></a>		<input checked="" type="checkbox"/>
Madagascar Cuckoo	<a href="#"><i>Cuculus rochii</i></a>	Rare/Accidental	
Common Cuckoo	<a href="#"><i>Cuculus canorus</i></a>		
<b>CAPRIMULGIFORMES: Caprimulgidae</b>			
Pennant-winged Nightjar	<a href="#"><i>Caprimulgus vexillarius</i></a>		
Standard-winged Nightjar	<a href="#"><i>Caprimulgus longipennis</i></a>		
Eurasian Nightjar	<a href="#"><i>Caprimulgus europaeus</i></a>		
Sombre Nightjar	<a href="#"><i>Caprimulgus fraenatus</i></a>	Rare/Accidental	
Nubian Nightjar	<a href="#"><i>Caprimulgus nubicus</i></a>		
Black-shouldered Nightjar	<a href="#"><i>Caprimulgus nigriscapularis</i></a>		<input checked="" type="checkbox"/>
Fiery-necked Nightjar	<a href="#"><i>Caprimulgus pectoralis</i></a>		
Abyssinian Nightjar	<a href="#"><i>Caprimulgus poliocephalus</i></a>		
Rwenzori Nightjar	<a href="#"><i>Caprimulgus ruwenzorii</i></a>		
Swamp Nightjar	<a href="#"><i>Caprimulgus natalensis</i></a>		<input checked="" type="checkbox"/>
Plain Nightjar	<a href="#"><i>Caprimulgus inornatus</i></a>		
Star-spotted Nightjar	<a href="#"><i>Caprimulgus stellatus</i></a>		
Freckled Nightjar	<a href="#"><i>Caprimulgus tristigma</i></a>		
Bates's Nightjar	<a href="#"><i>Caprimulgus batesi</i></a>		
Long-tailed Nightjar	<a href="#"><i>Caprimulgus climacurus</i></a>		
Slender-tailed Nightjar	<a href="#"><i>Caprimulgus clarus</i></a>		
Square-tailed Nightjar	<a href="#"><i>Caprimulgus fossii</i></a>		
<b>CAPRIMULGIFORMES: Apodidae</b>			
Mottled Spinetail	<a href="#"><i>Telacanthura ussheri</i></a>		
Sabine's Spinetail	<a href="#"><i>Rhaphidura sabini</i></a>		
Cassin's Spinetail	<a href="#"><i>Neafrapus cassini</i></a>		

	Scientific Name	Status	Checklist
Scarce Swift	<a href="#"><i>Schoutedenapus myoptilus</i></a>		<input checked="" type="checkbox"/>
Alpine Swift	<a href="#"><i>Apus melba</i></a>		<input checked="" type="checkbox"/>
Mottled Swift	<a href="#"><i>Apus aequatorialis</i></a>		
Common Swift	<a href="#"><i>Apus apus</i></a>		<input checked="" type="checkbox"/>
Nyanza Swift	<a href="#"><i>Apus niansae</i></a>		
Pallid Swift	<a href="#"><i>Apus pallidus</i></a>	Rare/Accidental	
African Swift	<a href="#"><i>Apus barbatus</i></a>		<input checked="" type="checkbox"/>
Little Swift	<a href="#"><i>Apus affinis</i></a>		<input checked="" type="checkbox"/>
Horus Swift	<a href="#"><i>Apus horus</i></a>		
White-rumped Swift	<a href="#"><i>Apus caffer</i></a>		<input checked="" type="checkbox"/>
African Palm-Swift	<a href="#"><i>Cypsiurus parvus</i></a>		
<b>GRUIFORMES: Sarothruridae</b>			
White-spotted Flufftail	<a href="#"><i>Sarothrura pulchra</i></a>		<input checked="" type="checkbox"/>
Buff-spotted Flufftail	<a href="#"><i>Sarothrura elegans</i></a>		<input checked="" type="checkbox"/>
Red-chested Flufftail	<a href="#"><i>Sarothrura rufa</i></a>		
<b>GRUIFORMES: Rallidae</b>			
African Rail	<a href="#"><i>Rallus caerulescens</i></a>		
Corn Crake	<a href="#"><i>Crex crex</i></a>		
African Crake	<a href="#"><i>Crex egregia</i></a>		<input checked="" type="checkbox"/>
Gray-throated Rail	<a href="#"><i>Canirallus oculeus</i></a>		
Spotted Crake	<a href="#"><i>Porzana porzana</i></a>	Rare/Accidental	
Lesser Moorhen	<a href="#"><i>Paragallinula angulata</i></a>		
Eurasian Moorhen	<a href="#"><i>Gallinula chloropus</i></a>		
Red-knobbed Coot	<a href="#"><i>Fulica cristata</i></a>		<input checked="" type="checkbox"/>
Allen's Gallinule	<a href="#"><i>Porphyrio alleni</i></a>		
African Swamphen	<a href="#"><i>Porphyrio madagascariensis</i></a>		
Nkulengu Rail	<a href="#"><i>Himantornis haematopus</i></a>		
Striped Crake	<a href="#"><i>Amaurornis marginalis</i></a>	Rare/Accidental	
Black Crake	<a href="#"><i>Zapornia flavirostra</i></a>		<input checked="" type="checkbox"/>
Little Crake	<a href="#"><i>Zapornia parva</i></a>	Rare/Accidental	

	Scientific Name	Status	Checklist
Baillon's Crake	<a href="#">Zapornia pusilla</a>	Rare/Accidental	
<b>GRUIFORMES: Heliornithidae</b>			
African Finfoot	<a href="#">Podica senegalensis</a>		
<b>GRUIFORMES: Gruidae</b>			
Gray Crowned-Crane	<a href="#">Balearica regulorum</a>	Endangered	✓
Black Crowned-Crane	<a href="#">Balearica pavonina</a>	Rare/Accidental Vulnerable	
<b>CHARADRIIFORMES: Burhinidae</b>			
Water Thick-knee	<a href="#">Burhinus vermiculatus</a>		✓
Eurasian Thick-knee	<a href="#">Burhinus oedicephalus</a>	Rare/Accidental	
Indian Thick-knee	<a href="#">Burhinus indicus</a>		
Senegal Thick-knee	<a href="#">Burhinus senegalensis</a>		
Spotted Thick-knee	<a href="#">Burhinus capensis</a>		
<b>CHARADRIIFORMES: Pluvianidae</b>			
Egyptian Plover	<a href="#">Pluvianus aegyptius</a>	Rare/Accidental	
<b>CHARADRIIFORMES: Recurvirostridae</b>			
Black-winged Stilt	<a href="#">Himantopus himantopus</a>		✓
Pied Avocet	<a href="#">Recurvirostra avosetta</a>		✓
<b>CHARADRIIFORMES: Haematopodidae</b>			
Eurasian Oystercatcher	<a href="#">Haematopus ostralegus</a>	Near-threatened	
<b>CHARADRIIFORMES: Charadriidae</b>			
Black-bellied Plover	<a href="#">Pluvialis squatarola</a>		
Pacific Golden-Plover	<a href="#">Pluvialis fulva</a>	Rare/Accidental	
Long-toed Lapwing	<a href="#">Vanellus crassirostris</a>		✓
Spur-winged Lapwing	<a href="#">Vanellus spinosus</a>		✓
Black-headed Lapwing	<a href="#">Vanellus tectus</a>		
White-headed Lapwing	<a href="#">Vanellus albiceps</a>	Rare/Accidental	
Senegal Lapwing	<a href="#">Vanellus lugubris</a>		✓
Crowned Lapwing	<a href="#">Vanellus coronatus</a>		✓
Wattled Lapwing	<a href="#">Vanellus senegallus</a>		✓

	Scientific Name	Status	Checklist
Brown-chested Lapwing	<a href="#">Vanellus superciliosus</a>		
Lesser Sand-Plover	<a href="#">Charadrius mongolus</a>	Rare/Accidental	
Greater Sand-Plover	<a href="#">Charadrius leschenaultii</a>	Rare/Accidental	
Caspian Plover	<a href="#">Charadrius asiaticus</a>		
Kittlitz's Plover	<a href="#">Charadrius pecuarius</a>		<input checked="" type="checkbox"/>
Kentish Plover	<a href="#">Charadrius alexandrinus</a>		
Common Ringed Plover	<a href="#">Charadrius hiaticula</a>		<input checked="" type="checkbox"/>
Little Ringed Plover	<a href="#">Charadrius dubius</a>		
Three-banded Plover	<a href="#">Charadrius tricollaris</a>		<input checked="" type="checkbox"/>
Forbes's Plover	<a href="#">Charadrius forbesi</a>	Rare/Accidental	
White-fronted Plover	<a href="#">Charadrius marginatus</a>		<input checked="" type="checkbox"/>
<b>CHARADRIIFORMES: Rostratulidae</b>			
Greater Painted-Snipe	<a href="#">Rostratula benghalensis</a>		
<b>CHARADRIIFORMES: Jacanidae</b>			
Lesser Jacana	<a href="#">Microparra capensis</a>		
African Jacana	<a href="#">Actophilornis africanus</a>		<input checked="" type="checkbox"/>
<b>CHARADRIIFORMES: Scolopacidae</b>			
Whimbrel	<a href="#">Numenius phaeopus</a>		
Eurasian Curlew	<a href="#">Numenius arquata</a>	Near-threatened	
Bar-tailed Godwit	<a href="#">Limosa lapponica</a>	Rare/Accidental Near-threatened	
Black-tailed Godwit	<a href="#">Limosa limosa</a>	Near-threatened	
Ruddy Turnstone	<a href="#">Arenaria interpres</a>		<input checked="" type="checkbox"/>
Ruff	<a href="#">Calidris pugnax</a>		
Broad-billed Sandpiper	<a href="#">Calidris falcinellus</a>	Rare/Accidental	
Curlew Sandpiper	<a href="#">Calidris ferruginea</a>	Near-threatened	<input checked="" type="checkbox"/>
Temminck's Stint	<a href="#">Calidris temminckii</a>		
Sanderling	<a href="#">Calidris alba</a>		
Dunlin	<a href="#">Calidris alpina</a>	Rare/Accidental	
Little Stint	<a href="#">Calidris minuta</a>		<input checked="" type="checkbox"/>
Pectoral Sandpiper	<a href="#">Calidris melanotos</a>	Rare/Accidental	

	Scientific Name	Status	Checklist
Jack Snipe	<a href="#">Lymnocyptes minimus</a>		
Great Snipe	<a href="#">Gallinago media</a>	Near-threatened
